

VectorFunction1D

```
graph BT; A["PolyMesh2D::Functional::Curve"] --> B["VectorFunction1D"]
```

The diagram illustrates a relationship between two classes. At the bottom is a gray rectangular box containing the text "PolyMesh2D::Functional::Curve". At the top is a white rectangular box with a black border containing the text "VectorFunction1D". Two blue arrows originate from the top edge of the gray box and point upwards towards the bottom edge of the white box, indicating that the gray box inherits from or is a specialization of the white box.

PolyMesh2D::Functional
::Curve
